

The California 6.1

Volkswagen

A woman with dark hair is holding a large bouquet of white and purple flowers in front of her face. She is smiling slightly. The background is a scenic landscape with green hills, purple flowers in the foreground, and blue mountains in the distance under a clear sky.

The California 6.1

The icon, updated.

For more than 30 years, the California has been the perfect companion for spontaneous active holidays, a weekend trip in the summer or a longer journey abroad with the family. The California 6.1 consistently continues this course. The leisure vehicle which is fully suitable for everyday use distinguishes itself by its numerous refined details, a completely revised interior and significantly more comfort than ever before – so that you can spend the most beautiful time of the season even more relaxing.

The original.

The California – on the market for more than 30 years and continuously improved. One of the most popular and successful camper vans of its type: Camper van of the year 2019.¹⁾

Enhanced exterior design.

A completely new front design, new alloy wheels²⁾, a modified colour palette as well as LED headlights³⁾ and LED tail lights³⁾ with a striking lighting signature.

Versatile.

A practical day-to-day vehicle, leisure bus and camper van all in one. Thanks to the compact exterior dimensions and a vehicle height of 1,990 mm⁴⁾, it is suitable for both cities and many parking garages. Four to seven⁵⁾ seats.

Optimum off-road capability.

4MOTION all-wheel drive^{2), 6)}, dual clutch gearbox DSG²⁾, Hill Descent Assist^{2), 7)}, Hill Start Assist and mechanical differential lock^{2), 7)}.

State-of-the-art driver assistance systems.

Now also with Sign Assist^{2), 8)}, side protection^{2), 8)}, crosswind assist⁸⁾, lane assist^{2), 8), 9)}, "Park Assist" parking steering assistance^{2), 8)}, Rear Traffic Alert^{2), 8)} and trailer manoeuvring system^{2), 8)}.

Integrated accessories.

Camping tables, camping chairs and opaque window shades are space-savingsly integrated into the interior cladding and can be used in a matter of moments.

Proven quality.

Highly durable body, lasting materials and quality workmanship.

California 6.1 Beach Camper¹⁰⁾ and California 6.1 Beach Tour¹⁰⁾.

Available for the first time in two variants to better fulfil the customer's requirements: the California 6.1 Beach Camper¹⁰⁾ with camper van registration, kitchenette¹⁰⁾ and four or five²⁾ seats or the especially practical California 6.1 Beach Tour¹⁰⁾ with passenger vehicle registration, two sliding doors¹¹⁾ and four to seven²⁾ seats.

More freedom.
Also in the interior.

Options as far as the eye can see. The cockpit features numerous new ideas which make the journey to your desired destination and your adventure off the beaten track a great experience. You can look forward to a high-resolution digital cockpit¹⁾, the latest generation of multimedia infotainment systems and state-of-the-art connectivity options with Volkswagen We Connect²⁾.

1) Option at extra charge. 2) To use the We Connect services, you require a Volkswagen ID user account and have to log in to We Connect with your user name and password. In addition, you also have to conclude a separate We Connect contract or We Connect Plus contract online with Volkswagen AG. With We Connect Plus, you have 90 days after you receive your vehicle to register the vehicle at www.portal.volkswagen-we.com and use the services for the full duration of the agreed free usage period. 3) As standard in the California 6.1 Coast and California 6.1 Ocean. Option at extra charge for

New interior design.

A redesigned dash panel featuring black cladding³⁾ and sophisticated decorative trims³⁾, new durable seat upholstery, redesigned integrated cupboards⁴⁾ with new décors⁴⁾ as well as LED interior lighting as standard.

Outstanding comfort.

Ergonomic seats with robust premium upholstery, excellent acoustic and thermal insulation, improved sleeping comfort thanks to the dish spring system in the loft bed, bed extension with lounge function⁴⁾ and de luxe mattress overlay¹⁾.

Highly customisable.

With functional kitchenette⁴⁾, fold-out kitchenette⁵⁾ or without a kitchen⁴⁾; with four to seven⁷⁾ seats; with one or two⁶⁾ sliding doors.

Perfectly connected.

High-resolution colour digital cockpit¹⁾, new radio and navigation systems with up to 23.4 cm (9.2 inch) touchscreens¹⁾, We Connect²⁾ mobile online services and **new operating panel** – a central digital unit for controlling the camper functions.

Maximum variability of the interior.

Rotatable seats and bench seats in the living area can easily be folded, steplessly rolled and securely connected at any position on the rail system. More space in the luggage compartment of the California 6.1 Beach Camper⁸⁾ and the California 6.1 Beach Tour⁸⁾ thanks to the new folding and stowable bed extension.

Your favourite hotel.
Wherever you go.

Check in where you like it most. The California 6.1 features a convincing range of enhanced standard equipment including the new cupboard decorative trim, sleeping areas for four people, dish springs in the loft bed and a camper control panel which enables you to control the auxiliary heating system¹⁾, dim the LED ambient lighting²⁾ and operate the electro-hydraulic¹⁾ elevating roof.

1) As standard in the California 6.1 Ocean. Option at extra charge for the California 6.1 Beach and the California 6.1 Coast. 2) As standard in the California 6.1 Ocean. Option at extra charge in the California 6.1 Coast. Illustrations include options at extra charge. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras applicable in your country.

"Park Assist" parking steering assistance.^{1), 2)}

NEW

Assists when parking in bay and parallel parking spaces by automatically performing optimum steering movements.

"Trailer Assist" trailer manoeuvring system.^{1), 2)}

NEW

Simplifies manoeuvring vehicles with trailers into parking bays along with precise reversing.

Side protection.^{1), 2)}

NEW

Monitors the vehicle's sides and shows warnings on the infotainment display if the vehicle gets too close to pillars or walls.

Crosswind Assist.¹⁾

NEW

Stabilises the vehicle during strong blustery crosswinds by automatically braking the wheels.

Sign Assist.^{1), 2)}

NEW

Detects speed limits, no overtaking areas as well as time and weather-dependent restrictions using a special camera and informs the driver via the multifunction display.

"Lane Assist" lane departure warning.^{1), 2), 3)}

NEW

Detects the lane you are driving in using a multifunction camera and keeps the vehicle in the lane with steering interventions.

Outstanding comfort.
Even while driving.

Rear Traffic Alert.^{1), 2)} **NEW**

Assists when reversing out of parking spaces. If the driver fails to respond to the acoustic warning when a vehicle gets too close, the system engages the brakes.

Tyre Pressure Monitoring System.^{1), 2)} **NEW**

Informs the driver of the current tyre pressures before and during the journey and warns of pressure loss. Every tyre is fitted with sensors which wirelessly provide information about the pressure and temperature.

Automatic Cruise Control ACC including "Front Assist" area monitoring system with City Braking System.^{1), 2)}

Adapts the speed of the vehicle to that of the vehicle driving in front through active braking and maintains the distance set by the driver.

Hill Descent Assist.^{1), 2), 4)}

Allows you to descend slopes in a controlled and comfortable way by regulating the engine speed and applying the brakes as necessary.

Pure driving pleasure. On any terrain.

Seven different engine and gearbox combinations are available to ensure that driving on holiday with the California 6.1 is more enjoyable than ever. The 4MOTION all wheel drive^{2), 5)} provides good traction on almost any surface while the dual clutch gearbox DSG^{2), 5)} noticeably enhances driving comfort with its smooth gear changes.

Dual clutch gearbox DSG.^{2), 5)} The TDI engines can be combined with an adaptive 7-speed dual-clutch gearbox. This enables a fully-automatic, smooth gear change without any interruption of the tractive force and perfectly adapts to the driving style.

DCC dynamic chassis control.²⁾ Enables a normal, comfortable or sporty, tight alignment of the running gear. The drive mode can be selected via a button and changed even during driving.

4MOTION all-wheel drive.^{2), 5)} The all-wheel drive automatically adapts the power transmission to the driving situation via an electronically-controlled multi-plate-clutch on the rear axle. The system's low weight serves as a base for optimum driving performance and dynamic.

Mechanical differential lock.^{2), 4)} In addition to the 4MOTION all-wheel drive^{2), 5)}, a mechanical differential lock is available as support for the rear axle. It makes starting up in adverse, off-road conditions much easier and the California 6.1 the most off-road-ready vehicle in its class.

Perfectly equipped.
For every journey.

The California 6.1 is one of the most popular camper vans in its class. This is no surprise because all three model variants feature sophisticated equipment together with an extensive range of integrated accessories. The California 6.1 Beach Tour¹⁾ and the California 6.1 Beach Camper¹⁾ provide sporting enthusiasts with a leisure vehicle which is also perfectly suited for day-to-day usage. The California 6.1 Coast is the ideal base camp for longer expeditions. And the California 6.1 Ocean provides you with all of the comfort and refinements to ensure perfect days and nights all year round.

California 6.1 Ocean with kitchenette, dark integrated cupboards, four seats and bed extension with lounge function.

volkswagen-commercial-vehicles.com

Some of the vehicles shown in this catalogue are equipped with options at extra charge. The data given here on equipment lines and technical data is based on the features of the German market and is in accordance with the information available at the time of going to print. Your Volkswagen dealer will be pleased to inform you of the differences in your specific country. Subject to change without notice. DSG® and 4MOTION® are registered trademarks of Volkswagen AG and other companies in the Volkswagen Group in Germany and in other countries. The fact that a trademarked name is not illustrated with an ® sign in this document cannot be interpreted as meaning that this is not a registered trademark and/or that it may be used without prior approval in writing from Volkswagen AG. Volkswagen provides for the return and recycling of end-of-life vehicles. All Volkswagens can, therefore, be recycled and, subject to fulfilment of legal prerequisites, can be returned free of charge. Further information is available from your Volkswagen dealership, online at www.volkswagen-commercial-vehicles.com or in the Federal Republic of Germany via the free-call telephone number 0800 – VOLKSWAGEN (0800 – 86 55 79 24 36).

The use of the mobile online services from We Connect is enabled via an integrated Internet connection. The associated data costs in Europe are borne by Volkswagen AG as part of the network coverage with the exception of the "Streaming & Internet" services. Data packages can be purchased from the external mobile communication partner "Cubic Telecom" to use the "Streaming & Internet" services and the Wi-Fi hotspot. These data packages can be used in numerous European countries. Information about the prices and support countries is available at www.vw.cubictelcom.com. Alternatively, web radio, hybrid radio and media streaming can be used via a mobile device (such as a smartphone) which is capable of serving as a mobile Wi-Fi hotspot. This case, the services are only available in conjunction with an existing mobile phone contract between you and your mobile phone provider or with a contract concluded separately for this purpose and only where coverage is available. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad.

A smartphone with a suitable iOS or Android operating system is required to use the free We Connect app, along with a SIM card with data option with an existing mobile phone contract or one concluded separately for this purpose between you and your mobile network provider.

The availability of the individual services from We Connect and We Connect Plus can vary from country to country. The services are available for the agreed duration of the contract and may be subject to changes to the content during the contract period or be cancelled. Further information is available at www.vwn.de/mod and from your Volkswagen Commercial Vehicles partner. Please contact your mobile network provider for information about the mobile network tariff conditions.
